MINISTRY FOR INVESTMENT, INDUSTRY AND INFORMATION TECHNOLOGY

Government Services Unit

Government is committed to ensuring that the Maltese Islands are recognised as a top investment destination.

In reflection to this commitment Government has embarked on a process that seeks to continue to eliminate all unnecessary bureaucracy and red tape. Central to this process is the 'Government Services Unit' which is a new start up within the Ministry of Investment, Industry and Information Technology and whose client focus shall be directed towards Smart City Tenants and eventually to the wider commercial community.

The GSU's operational focus shall be primarily directed towards:

(a) the provision of a single point of reference from which Government Services may be sourced;

(b) the identification, review, and adjustment of those operational structures and activities that are necessary for the provision of Government Services in a manner that meets client expectations and conforms to legislative and administrative requirements and generally leads to the delivery of more efficient and effective Government Services.

The GSU is currently in the process of developing its service review and operations team with which to monitor the activities of its service delivery arm as well as the operational structures of the Government Service Entities responsible for specific deliverables. In this context, the following vacancy has arisen for the post of:

Consultant

The incumbent shall form part of a team with responsibility for:

Establishing and maintaining appropriate service level agreements;
Identifying the implementation of any changes that may be required in Government operational structures; and
Putting forward recommendations with which to streamline regulation.

Applicants must hold a university degree in a business related field (or equivalent), have some knowledge of the Public Service and be able to demonstrate an analytical and strategic mind set. A minimum of three years relevant experience is also required
