STATE AID DECLARATION *(DE MINIMIS)*

Assistance to church and Independent Schools related to Capital expenditure in the Implementation of Educational Reforms for All Children to Succeed

If the submitted application is approved, the project will benefit from *de minimis* State aid in line with *Commission Regulation (EU) No 1407/2013 of 18 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid.*

Commission Regulation (EU) No 1407/2013 allows a 'single undertaking' to receive an aggregate maximum amount of *de minimis* aid of EUR 200,000 under all *de minimis* aid measures, over a period of three 'fiscal years'. This aggregate maximum threshold applies in principle to all economic sectors with the exception of a 'single undertaking' performing road freight transport for hire or reward for which a lower de minimis threshold of EUR 100,000 over any period of three 'fiscal years' applies. The agriculture and fisheries sectors are subject to different thresholds and criteria. For the purpose of this declaration the term 'single undertaking' shall have the meaning as established in *Commission Regulation (EU) No 1407/2013*. Moreover 'fiscal year' means the fiscal year as used for tax purposes by the undertaking concerned.

This maximum threshold would include all State aid granted under this scheme and any other State aid measure granted under the *de minimis* rule. Any *de minimis* aid received in excess of the established threshold will have to be recovered, with interest, from the undertaking receiving the aid.

The following is an indicative list of the possible forms of State aid:

- Grants from public bodies
- Loans or loan guarantees at favourable rates
- Tax benefits
- Waiving or deferral of fees or interest normally due
- Marketing and advertising assistance
- Consultancy, training and other support provided either free or at a reduced rate
- Aid for investment in environmental projects or research and development assistance
- Purchase, rent or lease of immovable property at less than market rate.

Potentially any assistance from a public body may constitute State aid. Should you have any doubts whether any public assistance received is *de minimis* aid, you should contact the agency or department from which the assistance was received in order to ascertain this.

DECLARATION

I declare that a comprehensive amount of *de minimis* aid received to date during the current fiscal year and the previous two fiscal years is:

Fiscal Year 2021	Fiscal Year 2022	Fiscal Year 2023	TOTAL
€	€	€	€

A breakdown of the source, type and amount of all *de minimis* aid received as well as that applied for from any State aid grantor, is presented overleaf.

the relative annual and perpetual subgroundrent of €110.95 equivalent to Lm47.63 that was on the said house with the garage in Marsaskala;

That by means of a contract in the records of Notary Doctor Rosella Sciberras of the 21st April, 2021, the said Jesmond Cini and Natalie Cachia together with their respective spouses Marcella Cini and Enzo (Vincent) Cachia, redeemed, bought and acquired from Evely Camilleri and her children Maria Bezzina, Joanne Camilleri, Claire Camilleri and Norman Camilleri the annual and perpetual subdirect dominium and the relative annual and perpetual subgroundrent of €66.57 equivalent to Lm28.58 that was on the immovable property for sale;

That by means of an other contract in the records of Notary Doctor Rosella Sciberras of the 21st April, 2021, the said Jesmond Cini and Natalie Cachia together with their respective spouses Marcella Cini and Enzo (Vincent) Cachia, redeemed, bought and acquired from Carmel Sciberras and Robert Tua the annual and perpetual subdirect dominium and the relative annual and perpetual subgroundrent of €44.37 equivalent to Lm19.05c that was on the immovable property for sale;

It follows that the property above mentioned is still subject to €0.05 annual and perpetual groundrent payable to the unknown successors of Ospedale di Santo Spirito in the Ufficio Giuratale and/or other unknown third parties;

Notwithstanding all attempts made by the applicants, it was not possible for the actual owners to be traced and this for the groundrent of €0.05 and thus an application is being concurrently filed so that deputy curators are appointed to represent the unknown owner or owners;

Today the applicants wish to avail themselves of the option given to them according to law and this in terms of Article 1501 of Cap. 16 of the Laws of Malta and redeem the same annual and perpetual groundrent of €0.05 which relative groundrent has to be redeemed with the rate of 5% and this as stipulated in the same Article and if it is capitalised in the total amount of €1.

Thus the applicants are humbly calling upon this Honourable Court and under its authority are depositing the amount of €0.26 that is the groundrent due for the last five years and also €1 as the price for the redemption of the annual and perpetual groundrent for the total of €1.25 so that the same amount can be freely withdrawn by who has the right to them, after leaving the relative receipt according to law.
