Noti ta' Spjegazzjoni[1]

1. Introduzzjoni

It-titolu ta' dawn ir-regolamenti huwa r-Regolamenti tal-2025 dwar il-Protezzjoni tal-Art Agrikola. L-għan ta' dawn ir-regolamenti huwa li jiġu stabbiliti miżuri u proċessi sabiex tiġi salvagwardjata art agrikola biex jiġi żgurat li art agrikola tinżamm bħala tajba għal skopijiet agrikoli. Dawn ir-regolamenti ġew abbozzati mill-Ministeru tal-Agrikoltura, is-Sajd u d-Drittijiet tal-annimali (MAFA).

2. Taqsira u l-isfond

Permezz tal-implimentazzjoni ta' dawn ir-regolamenti, l-art agrikola għandha tiġi mħarsa minn ħsarat u l-vijabilità agronomika tiġi promossa. Miżuri agronomiċi minimi qed jiġu stabbiliti sabiex isostnu s-settur agrikolu lokali billi jipproteġu l-ħamrija u jassiguraw attività agrikola minima fuq art agrikola. Il-kultivazzjoni ta' għelieqi abbandunati tista' tikkontribwixxi għat-tneħħija tal-karbonju permezz tat-tħawwil ta' siġar u għelejjel filwaqt li ttejjeb l-estetika viżiva tal-pajsaġġ rurali li ttejjeb il-benesseri soċjali. Id-dispożizzjonijiet ta' dawn ir-regolamenti huma maħsuba wkoll biex jiżguraw li kwalunkwe art agrikola attwalment abbandunata tiġi ġestita b' mod sostenibbli permezz ta' intervent mill-gvern.

3. Ħarsa ġenerali tal-istruttura tal-istrument

Dawn ir-regolamenti li jaqgħu taħt l-Att dwar l-Agrikoltura (Kapitolu 639 tal-Liġijiet ta' Malta) huma stabbiliti fi sbatax (17)-il regolament:

L-art agrikola għandha tiġi reġistrata u mqassma f'biċċiet ta' raba' skont l-għanijiet ta' dawn ir-regolamenti biss, u dan ma jagħtix, jirrikonoxxix jew jikkonferma kwalunkwe drittijiet personali jew reali fuq tali art agrikola li tista' tippreġudika drittijiet ta partijiet terzi Mar-reġistrazzjoni, pjan tal-għelejjel jeħtieġ li jiġi sottomess għal sena agrikola waħda jew aktar skont ir-regolament 4.

Ir-regolament 5 jistabbilixxi miżuri għas-salvagwardja tal-art agrikola minn theddid u ħsara li jinkludu miżuri li jipproteġu l-ħamrija minn attivitajiet li jiddeterjorawha jew li jirrenduha mhux tajba għall-użu agrikolu.

F'każijiet fejn art agrikola ma tkunx reġistrata, id-Direttur għandu jwaħħal avviż fis-sit tal-art agrikola u għandu wkoll jiġi ppubblikat avviż fil-Gazzetta biex kwalunkwe persuna li għandha interess fuq dik l-art tiddikjara dak l-interess fi żmien tliet (3) xhur minn dik il-pubblikazzjoni. Jekk ma jiġix dikjarat interess, Id-Direttur jitlob lill-Riżorsi Agrikoli Malta (RAM) biex tirreġistra l-art f'isimha u takkwista pussess effettiv tal-art agrikola u jkollha s-setgħa li jallokaha għall-attività agrikola. Jekk jiġi ppruvat titolu validu, l-art għandha tiġi dereġistrata minn RAM sal-aħħar tas-sena agrikola u d-detentur tat-titolu jirreġistra dik l-art favurih, dment li kwalunkwe multa jew tariffa jew dritt jiġu saldati mid-detentur tat-titolu. Id-detentur tat-titolu jkun meħtieġ ukoll li jikkumpensa lil RAM għall-ispejjeż kollha magħmula għat-teħid tal-art agrikola u l-ġestjoni tal-istess, inklużi iżda mhux biss limitatament għall-spejjeż notarili, legali u fiskali, u l-ispejjeż għall-miljoramenti kollha magħmula minn RAM. Jekk id-detentur ta' titolu validu jipprova li kien impossibbli għalih li jirreġistra l-art agrikola skont dawn ir-regolamenti, u li jobbliga ruħu li ser jkun qiegħed jaġixxi ta' bidwi għal tali art agrikola ladarba tkun reġistrata f'ismu, huwa għandu jkollu dritt għall-ħlas ta' kwalunkwe ammont ekwivalenti miġbur minn Riżorsi Agrikoli Malta mingħand terzi, eskluzi l-ispejjeż diġà msemmija, u tali ammont ekwivalenti għandu jitħallas lill-bidwi jew lid-detentur ta' titolu validu minn RAM

4. Commentary

Regulation 3 requires that the Director keeps a register and farmers or valid title holders are to register their agricultural land. Those farmers already engaged in agricultural activity need to register their agricultural land within six (6) months from the entry into force of the regulations. Agricultural land shall be registered and designated as Agricultural Parcels for the scope of these regulations only and shall not grant, recognise or confirm any personal or real rights on such agricultural land which may prejudice third party rights. Upon registration, a crop plan needs to be submitted for one or more agricultural years in line with regulation 4.

Regulation 5 sets out measures to safeguard agricultural land from threats and damages which include measures that protect the soil from activities that deteriorate it or render it unsuitable for agricultural use.

Regulation 6 sets out the minimum activity on agricultural land according to the Common Agricultural Policy (CAP) of the European Union. Agricultural land shall be kept fit for cultivation and tilled at least once a year. In the case where trees are present, these shall be kept in good agricultural condition. Land parcels planted with wild species of plants as part of an agri-environmental commitment financed through National or European Union funds are exempted from this obligation. Regulation 7 allows for additional measures to be prescribed by the Minister for Agriculture in case of emergencies or as required.

Regulation 8 sets out measures for the use of agricultural land for non-agricultural activity. Such activity is allowed provided that it does not interfere with agricultural activities or cause environmental degradation, and it complies with the provisions of these regulations and any other obligations by law.

Regulation 9 sets out measures to ensure that any current abandoned agricultural land is managed in a sustainable manner through government intervention. In cases where agricultural land is not registered, the Director shall affix a notice at the site of the agricultural land and a notice shall also be published in the Gazette for any person to declare interest for that land within three (3) months from that publication. If no interest is declared, the Director will request the Riżorsi Agrikoli Malta (RAM) to register the land on its behalf and acquire effective possession of the agricultural land and have the power to allocate it for agricultural activity. Should a valid title be proven then the land shall be deregistered from RAM at the end of the agricultural year and the title holder will register that land in his favour, provided that any fines or fees or dues are settled by the title holder. The title holder will also be required to compensate RAM for all the expenses incurred for the taking up of the agricultural land and the management thereof including but not limited to notarial, legal and fiscal costs, and the expenses for all improvements made by RAM. If the valid title holder proves that it was impossible for him to register the agricultural land according to these regulations, and that he obliges himself that he will act as the farmer for such agricultural land once it is registered in his name, he shall be entitled to the payment of any amount equivalent to every payment received by RAM from third parties, excluding the expenses previously mentioned, and that amount shall be paid to the farmer or valid title holder by RAM.

Regulation 10 prohibits advertisement that promotes agricultural land for non-agricultural purposes

Regulation 11 sets out that for the purposes of the general powers of authorised officers article 8 of the Agriculture Act (Cap 639) shall apply mutatis mutandis.

The measures to be taken in case of irregularities and the breaches are set out under regulation 12, and failure to implement such measures is deemed an offence. A warning notice shall be issued as per regulation 13 in case the requirements of

regulations 4 to 7 are not satisfied. Regulation 14 provides for exemptions by the Director to register agricultural land in cases where it is proven that such land cannot be registered or minimum agricultural activity cannot be carried out. User Guidelines

Protection of Agricultural Land Regulations, 2025

1. The Protection of Agricultural Land Regulations provide a legal framework to ensure that agricultural land is maintained as suitable for agricultural purposes. A number of measures are established to ensure sustainability and viability of the agricultural sector.

2. These user guidelines are intended for farmers and valid title holders of agricultural land to better understand the obligations set out in the Protection of Agricultural Land Regulations which are necessary to safeguard agricultural land.

3. Farmers managing agricultural land and valid title holders of agricultural land that is outside the development zone and that can support an agricultural activity, need to satisfy the obligations set out in these regulations.

4. Famers or valid title holders need to register their agricultural land with the Director of Agriculture and those farmers who are already engaged in agricultural activity need to register their agricultural land within six (6) months from the coming into force of the regulations. Registration provides for designation of agricultural parcels for the scope of these regulations only and hence such registration does not grant any real rights on such agricultural land. Upon registration, a crop plan needs to be submitted providing details of the agricultural activity for one or more agricultural year, that starts on 1st September and ends on 31st August of each calendar year, both dates included.

5. Farmers or valid title holders need to maintain agricultural land in good condition by meeting the obligations set in the regulations. These include measures that protect the soil from being deteriorated becoming unsuitable for use in an agricultural activity.

6. Minimum activity is required on Agricultural land to keep such land fit for cultivation which includes tilling at least once a year. In the case where agricultural land is part of an agri-environment climate commitment which requires it to be cultivated with wild plant species, and which is financed through National or European Union Funds, such land is exempted from this obligation. Additional temporary obligations may be required in extreme or emergency cases.

7. Agricultural land may be used for non-agricultural purposes, provided that such activity does not interfere with agricultural activities or cause environmental degradation, and that it complies with the provisions of these regulations and any other obligations by law.

8. For agricultural Land that has not been registered, the Director will affix a notice at the site of the agricultural land and also issue a notice in the Government Gazette ordering any person having interest in that agricultural land to declare and describe that interest within three (3) months of publication of the said notice. If no declaration is made, the Director shall request the Riżorsi Agrikoli Malta Agency to register the agricultural land on its behalf. If a valid title is proven following the registration on behalf of Riżorsi Agrikoli Malta, the agricultural land will be deregistered from the Agency at the end of the agricultural year and be registered in favour of the title holder, subject to conditions whereby any fines, fees or dues are settled by the title holder, and where the holder compensates the Agency for all the expenses incurred for the taking up of the agricultural land and the management thereof including but not limited to notarial, legal and fiscal costs, and the expenses for all improvements made by Riżorsi Agrikoli Malta.

9. If the holder proves that it was impossible for him to register the agricultural land according to the regulations, and that he obliges himself that he will act as the farmer for such agricultural land once it is registered in his name, he shall be entitled to the payment of any amount equivalent to every payment received by Riżorsi Agrikoli Malta from third parties, excluding the expenses previously mentioned, and that amount shall be paid to the farmer or valid title holder by Riżorsi Agrikoli Malta.

10. The regulations prohibit advertisement that promotes agricultural land for non-agricultural purposes

11. Authorised officers shall have the right to enter and inspect any buildings and structures and agricultural land if there is suspicion of breaches to the regulations.

12. The regulations set out measures for corrective action in case of irregularities and infringements as well as fines for any person found guilty of an offence. If a farmer does not satisfy the obligations, a warning notice is issued describing the irregularity and measures to be taken to be deemed in compliance and the timeframe in which the measures are to be taken. The Court of Magistrates shall be competent for offences to the regulations and any persons found guilty of an offence shall be liable to fines as set out in the regulations.

13. In cases where it was proven that a farmer or valid title holder could not register the agricultural land or carry out minimum agricultural activity, the Director may provide for exemptions.

14. If a person feels aggrieved by the decision of the Director, a request may be submitted for judicial review to the Administrative Review Tribunal to review the Director's decision.

15. The Protection of Agricultural Land regulations shall come into force within two (2) months from their publication in the Gazette, provided that regulation 9 shall come into force within one (1) year from the publication of these regulations in the Gazette.

In Constitutional Appeal Application No. 235/2020 filed on the 4th June, 2025, the appellant Josephine Farrugia feels aggrieved by the judgment of the First Hall Civil Court delivered on the 16th May, 2025, in so far as that court erred in the liquidation and consequent compensation due.

Therefore, the appellant is asking this Honourable Constitutional Court so that it confirms the present judgment in so far as it dismissed the pleas of the respondent State Advocate as well as confirming it in so far as it upheld the demands of the appellant plaintiff in so far as it found a violation of the applicant's fundamental rights in terms of the First Article of the First Protocol of the European Convention but reforms it in regard to as the liquidation of damages by this Honourable Constitutional Court and declares and decides that the violation suffered by the appellant plaintiff was for the whole period 1991 to 2018 and this for the whole premises in the merits of the cause and for the whole share that her deceased parents had in the premises in question since she had acquired the same property by means of a contract of partition between the siblings as explained in the application and thus she is to receive all the damages on the whole property and not only on her share before the date of such partition so that the pecuniary damages are to be liquidated in the amount of not less than €11,712.06 or other correct sum, besides non-pecuniary damage amounting to around €10,000 globally amounting to €21,712.06 besides legal interests applicable from the date of the first judgment till the date of effective payment. In Appeal Application No. 238/2017, the appellant, Joseph Bajada, feels aggrieved by the judgment of the Court of First Instance decided on the 11th July, 2024, on the grounds that the Honourable Court of First Instance should never have considered that the appellant had invaded the plaintiffs' property what with the incorrect plans which misled the technical referees and that, without prejudice, had Court found that there was any occupation of any land property belonging to the respondent plaintiffs, the Honourable First Court had to apply the principle of accession in terms of Art 571 of Cap 16 and if anything order not the demolition but the payment of compensation of the value of the surface which had been occupied.

Therefore, the appellant humbly requests this Honourable Court of Appeal to uphold this appeal and whilst annulling, cancelling and revoking the judgment of the First Hall of the Civil Court dated 11th July, 2024, in the names mentioned above, instead holds and decides by dismissing all the plaintiffs' claims in the original application in regard to the appellant, whilst upholding all the appellants' pleas, with costs of both instances to be borne by the respondent plaintiffs.
