Title:

Scheduling of Property

Żona ta' Lqugħ għal Villa Barbaro fi Triq iż-Żejtun Ħal Tarxien

Proposed Buffer Zone

Buffer Zone to include those properties along Triq iż-Żejtun that are directly opposite the Grade 1 scheduled Villa Barbaro.

Within this buffer zone, the buildings cannot exceed the maximum building height of 15.4m (as per DC15).

Additionally, care must be given to the design, colour and textures on the facades so that these elements can further mitigate any impacts on the context of the scheduled property.

Villa Barbaro and buffer zone as already scheduled as per GN 0158/09 dated 27.02.09.
